Dear Sir,

Dear Madam,

It is with great honour that we invite to become partners in promoting Romanian Convention of Architecture and Design (ROCAD) among architects in your country.

The University of Architecture and Urbanism „Ion Mincu” of Bucharest celebrates this year its 120th anniversary and we would like you to join us in this celebration at Bucharest, Parliament Palace on 16-18th May.

ROCAD has begun to welcome its guests – top international architects and designers among which Eduardo Souto de Moura (Pritzker Prize 2011), Gottfried Bohm (Pritzker Prize 1986), Peter Zumthor (Pritzker Prize 2009), Mario Botta, SANAA (Pritzker Prize 2010), Jacques Herzog si Pierre de Meuron (Pritzker Prize 2001), Mies van der Rohe Prize – Esteve Bonell (1992), Peter Bohm, Antón García-Abril, Matias del Campo, Rene Davids, Sandra Manninger, Gaetano Pesce, Kostas Terzidis.

Over 7 representatives of the most prominent educational associations in Europe are expected to arrive in Bucharest to celebrate the anniversary of “Ion Mincu” University of Architecture and Urbanism on May – European University Association (EUA), Royal Institute of British Architects (RIBA), International Union of Architects (IUA), European Association for Architectural Education (EAAE), The European League of Institutes of the Arts (ELIA), Architects' Council of Europe (ACE).

ROCAD’s unique concept – a balanced mix of conferences and exhibition – has created a stir among the architects and designers from Romania and thus we expect over 1200 professionals at the May event.

Members of our partner organizations benefit from **free participation** at ROCAD 2012 and we would like you to join us in this endeavour so that architects in your country may have the opportunity to listen to and interact with an array of exceptional figures in this field.

Please let us know of the answer to our proposal as your feedback is of utmost importance to us.

Yours sincerely,

Organising Committee
